RE: Antidumping duty scope determination on petroleum wax candles from the People's Republic of China (A-570-504)

Notice of the lifting of suspension occurred on the message date of these instructions. See paragraph 5 below.

1. Commerce received a scope ruling request from Jay Import Company Inc., ("Jay Import"). Commerce issued a final scope determination on 08/27/2013 that Jay Import's Lying Goat (Item #10-4833) which Jay Import imports is not within the scope of the antidumping duty order on petroleum wax candles from the People's Republic of China ("PRC") (A-570-504).
2. Commerce determined that Jay Import's Lying Goat (Item #10-4833) is outside the scope of the order because it is shaped like an animal and thus, meets the exclusion for figurine candles. Therefore, Jay Import's Lying Goat (Item #10-4833) is not within the scope of the antidumping duty order on petroleum wax candles from the PRC.
3. For all entries of petroleum wax candles not within scope that remain unliquidated on or after 02/19/1986, CBP shall terminate suspension and liquidate entries of product not within scope which were entered, or withdrawn from warehouse, for consumption.
4. Refund any cash deposits and release any bonds relating to Lying Goat (Item #10-4833) not within the scope described above.
5. These instructions constitute notice of the lifting of suspension of liquidation of entries of the Lying Goat (Item #10-4833) not within scope entered, or withdrawn from warehouse, for consumption on or after 02/19/1986.
6. The assessment of antidumping duties by CBP on shipments or entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778 requires that CBP pay interest on overpayments or assess interest on underpayments of the required amounts deposited as estimated antidumping duties. The interest provisions are not applicable to cash or bonds posted as estimated antidumping duties before the date of publication

of the antidumping duty order. Interest shall be calculated from the date payment of estimated antidumping duties is required through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.

7. Unless instructed otherwise, for all other shipments of petroleum wax candles from the PRC not covered by paragraph 2 above, you shall continue to collect cash deposits of estimated antidumping duties for the merchandise at the current rates.
